

Yips Newsletter September 2016

We would like to say a massive **THANK YOU** to the 20 Yips and families that participated in volunteering at the TRUE GRIT on 20/21 August; a massive \$2000 has been raised for the yips fund due to your efforts!!!! It was 2 big days and a huge commitment by those participants, well done! Also a HUGE thank you to Coolangatta SLSC for the loan of their Mini Bus on Sunday to cart the yips up and back from the event, it was very much appreciated. There is some great photos below so please check them out! The season is about to start and there is heaps of information below,

please read EVERYTHING!

FIRSTLY: Thank you to Vaughn from Nippers who has offered to pay funds into the Yips account in return for WATER SAFETY help from Yips on Sunday morning during Nippers. Unofficial Nippers start Sunday 18th September 8am and we need as many YIPS as possible down there helping out. **Dave Fuller** will be water safety manager so all yips must ensure they sign on for water safety and report to Dave for instruction, this will ensure everyone is safe in and out of the water, please get on board with this, especially our recently “graduated” nippers, it is your turn to give back and help out ☺

SECONDLY: Patrol roster has just been released; if you have not received yours via email please ensure you follow this up with club as patrol starts 17th September. Remember Yips have patrolling requirements that must be met, please check out who your patrol captain is and the dates that you are rostered on, any enquiries regarding patrol should be directed to the club.

THIRDLY: We are currently in contact with Pt Lookout discussing patrol exchange for later in the year; we will update you as details come to hand. There are more social events in the pipeline and also events listed below for those interested;
