

SURF SAFE APPEAL 28TH & 29TH OCTOBER 2017

The Surf Safe Appeal is a major fundraiser for our Surf Club, any time you can give to help collect donations will be greatly appreciated.

Unfortunately we will not have a bus going up this year but are hopeful that we can organise enough people to car pool to get our members to the collection areas. If you are able to help by taking people up to the Logan area with you in your vehicle, please let Helen in the office know ASAP

We will be collecting in shopping centres in the Logan area.
All that is required is to stand or sit in an allocated area with a collection tin.
We wear patrol uniforms or club shirts and a name badge.

Please add your name to the roster below and the time you have available to help (even for an hour or two) and return to the office or contact Helen for further details
